

DIRECTV® Receiver

Unmatched TV enjoyment is always just a click away with the DIRECTV Receiver. Personalize your channel selections with a customizable guide. Search up to three-and-a-half days of TV listings. Control what your children are watching with Parental Controls. And more.

Features

- 3 1/2-day Advanced Program Guide. Search the channel guide for shows up to 3 1/2 days in advance.
- Customize guide by choosing only the channels you want to see.
- Schedule a timer to automatically tune to a program.
- View and log Caller ID info provided by your local phone company.*
- Remote control can be programmed to control a TV and two additional devices, such as a DVD player, VCR or other audio equipment.
- Parental controls/locks: Enjoy peace of mind over what your children are watching by locking out objectionable programming.
